Your Local Office for Global Business

About Us

Background

itias Global Network is one of the largest financial and corporate services networks globally, composed of expert accounting, consulting, and auditing firms.

itias Global provides companies across various markets and industries with cloud-based software tools to join the digital transformation initiative, where multinational businesses can expect the same consistent standards of service quality, delivery, and commitment.

Mission

Deliver the right solutions to our clients through long-term relationships built on experience, insight, and teamwork.

Help our clients reduce their administrative costs while providing support of the highest quality.

Create a business environment that attracts, develops, and retains the best talent.

Provide stockholders with the best return on their investment.

Vision

Become a globally reliable, effective, safe, and cost-effective provider of quality innovative global Accounting and Corporate Services, that satisfy unmet management needs.

What We Do

We provide global Accounting and Corporate Services at the most competitive prices. We help clients drive their businesses to their maximum potential by delivering high-quality services including Accounting, Human Resources Management, Business Consultancy, and Tax Solutions.

Accounting & Corporate Services

S

Information Technology Tools

We use an innovative cloud-based Enterprise Resource Planning (**ERP**) system known as WallPost Software. It is designed according to international standards to meet clients' needs in different industries.

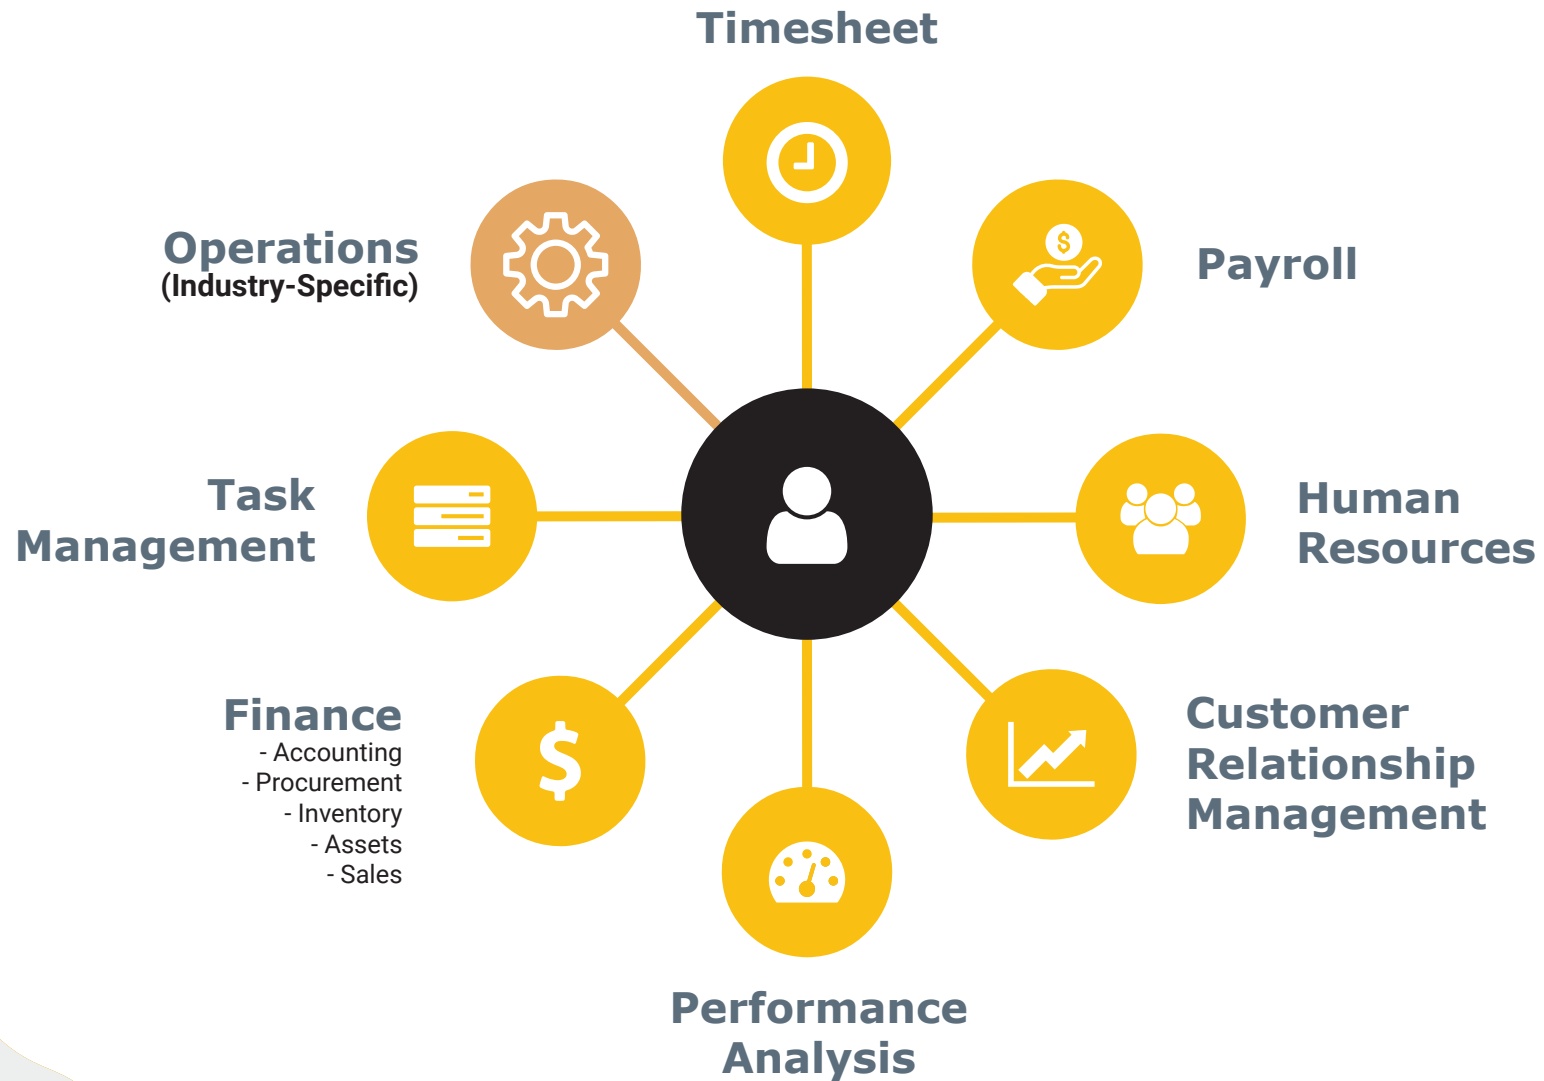

WallPost Software is equipped with intelligent modules to smartly monitor and enhance the performance of the company and staff. It produces a variety of financial and management reports which can be used by managers and shareholders for more efficient decision-making.

WallPost Software's objective is to deliver the following results:

- Automate the company's policies, procedures, and processes
- Assist in the company's formulation of rules, regulations and processes
- Increase staff engagement and retention
- Measure performance and staff appraisal
- Identify problems before their onset

WallPost

Core Modules

Digital Transformation

- Creating a WallPost account
- Customizing finance settings
- Creating a chart of accounts and approval flow
- Handling accounting details, accounts receivable escalation, contact information, and invoice cutoff
- Managing Ledger group, items, customer, supplier, collection, purchase/payment bill, journal, and assets

itialuS boasts a wealth of knowledge and experience in International Business Registration services. Our team is highly skilled at using the latest financial and accounting software and has in-depth expertise in international accounting standards (IFRS/GAAP).

International Business Registration

At **itialuS** we provide high-quality business services to foreign investors, including company registration, accounting, income tax, and business advisory. We support entrepreneurs in all aspects of their businesses from the moment of their establishment to the later stages of business growth and development. We can handle the entire process of incorporating your business internationally.

Areas Of Expertise:

- Business & Import Licenses
- Business Document Revision
- Company & Investment Law
- Company Incorporation and Address Rent
- Operation Management Solution
- Corporate Compliance (GDPR, Anti-money laundering...)
- Tax Residency Applications

Support & Guidance

We provide support and guidance throughout the process of establishing all legal forms. Our experts can clarify the most complicated local legislation for you. We also provide all the necessary licenses, concessions and permits for your business's success.

Our experts strictly maintain the confidentiality of our clients. We do not share or distribute any information without the client's exclusive consent.
