# About Us

## Background

**itias** Global Network is one of the largest financial and corporate services networks globally, composed of expert accounting, consulting, and auditing firms.

**itias** Global provides companies across various markets and industries with cloud-based software tools to join the digital transformation initiative, where multinational businesses can expect the same consistent standards of service quality, delivery, and commitment.

## Mission

Deliver the right solutions to our clients through long-term relationships built on experience, insight, and teamwork.

Help our clients reduce their administrative costs while providing support of the highest quality.

Create a business environment that attracts, develops, and retains the best talent.

Provide stockholders with the best return on their investment.

## Vision

Become a globally reliable, effective, safe, and cost-effective provider of quality innovative global Accounting and Corporate Services, that satisfy unmet management needs.

## What We Do

We provide global Accounting and Corporate Services at the most competitive prices. We help clients drive their businesses to their maximum potential by delivering high-quality services including Accounting, Human Resources Management, Business Consultancy, and Tax Solutions.

## **Information Technology Tools**

We use an innovative cloud-based Enterprise Resource Planning (**ERP**) system known as WallPost Software. It is designed according to international standards to meet clients' needs in different industries.

WallPost Software is equipped with intelligent modules to smartly monitor and enhance the performance of the company and staff. It produces a variety of financial and management reports which can be used by managers and shareholders for more efficient decision-making.

## **WallPost Software's objective is to deliver the following results:**

- Automate the company's policies, procedures, and processes
- Assist in the company's formulation of rules, regulations and processes
- Increase staff engagement and retention
- Measure performance and staff appraisal
- Identify problems before their onset

# WallPost

Core Modules

## Digital Transformation

- Creating a WallPost account
- Customizing finance settings
- Creating a chart of accounts and approval flow
- Handling accounting details, accounts receivable escalation, contact information, and invoice cutoff
- Managing Ledger group, items, customer, supplier, collection, purchase/payment bill, journal, and assets
