About Us

Background

itialuS Global Network is one of the largest financial and corporate services networks globally, composed of expert accounting, consulting, and auditing firms.

itialuS Global provides companies across various markets and industries with cloud-based software tools to join the digital transformation initiative, where multinational businesses can expect the same consistent standards of service quality, delivery, and commitment.

Mission

Deliver the right solutions to our clients through long-term relationships built on experience, insight, and teamwork.
Help our clients reduce their administrative costs while providing support of the highest quality.
Create a business environment that attracts, develops, and retains the best talent.
Provide stockholders with the best return on their investment.

Vision

Become a globally reliable, effective, safe, and cost-effective provider of quality innovative global Accounting and Corporate Services, that satisfy unmet management needs.

What We Do

We provide global Accounting and Corporate Services at the most competitive prices. We help clients drive their businesses to their maximum potential by delivering high-quality services including Accounting, Human Resources Management, Business Consultancy, and Tax Solutions.

Information Technology Tools

We use an innovative cloud-based Enterprise Resource Planning **(ERP)** system known as WallPost Software. It is designed according to international standards to meet clients' needs in different industries.
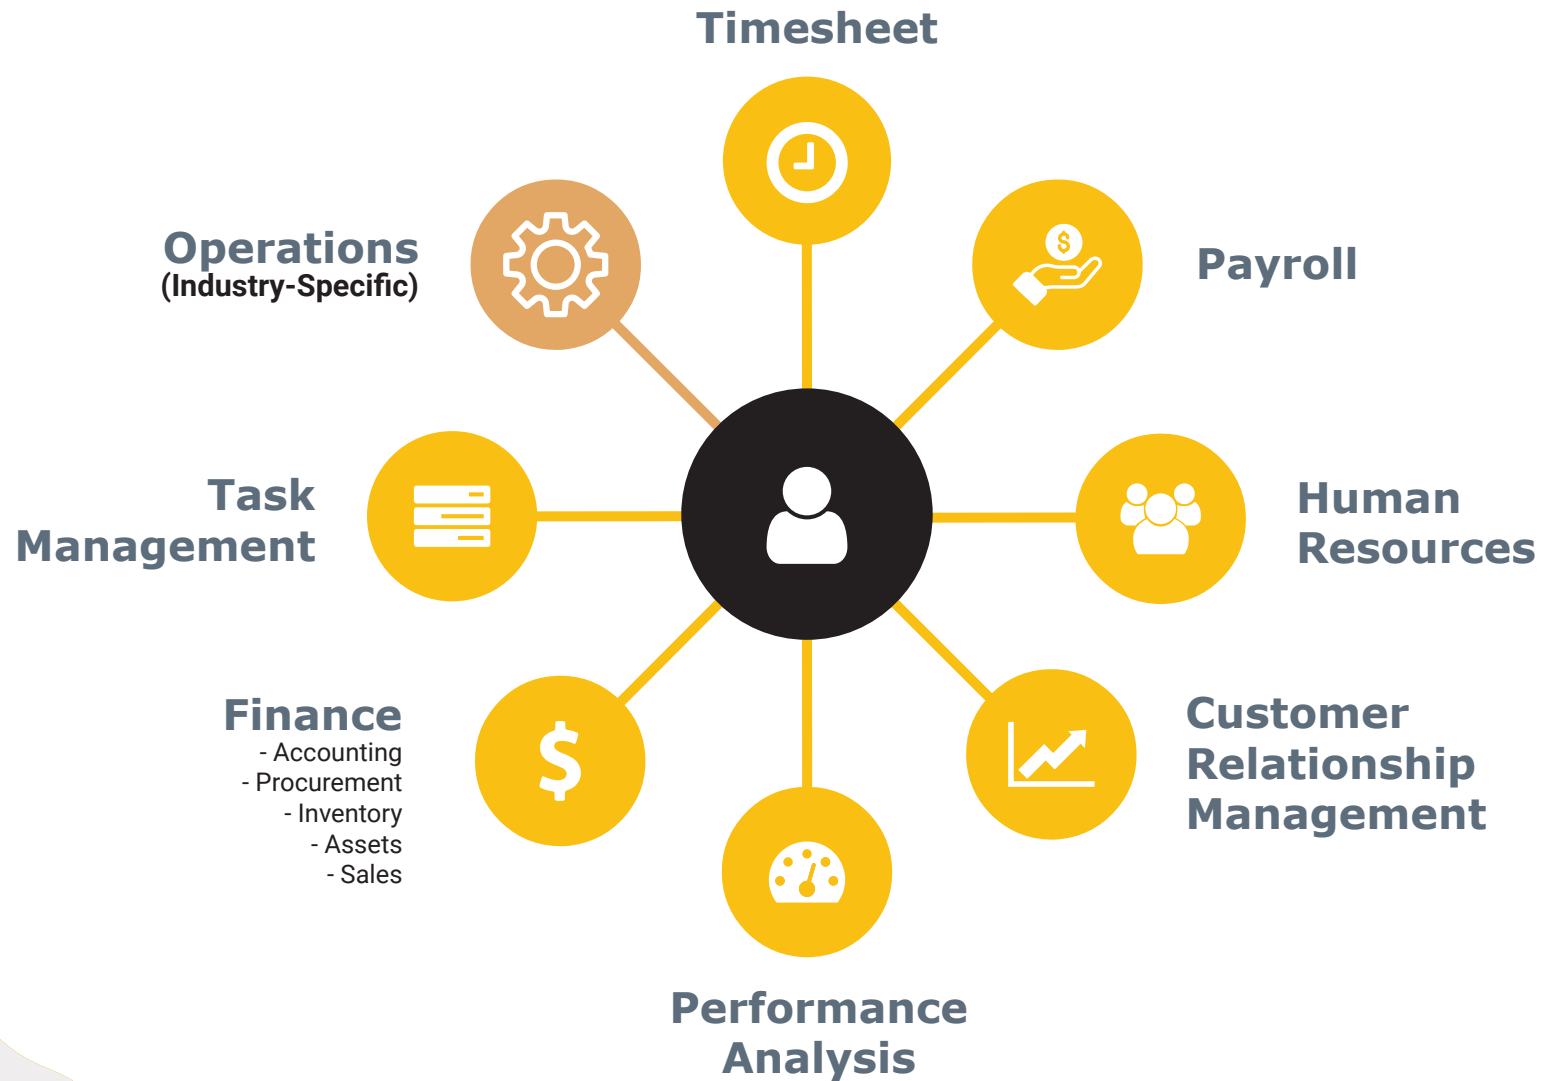

WallPost Software is equipped with intelligent modules to smartly monitor and enhance the performance of the company and staff. It produces a variety of financial and management reports which can be used by managers and shareholders for more efficient decision-making.

WallPost Software's objective is to deliver the following results:

- Automate the company's policies, procedures, and processes
- Assist in the company's formulation of rules, regulations and processes
- Increase staff engagement and retention
- Measure performance and staff appraisal
- Identify problems before their onset

Digital Transformation

- Creating a WallPost account
- Customizing finance settings
- Creating a chart of accounts and approval flow
- Handling accounting details, accounts receivable escalation, contact information, and invoice cutoff
- Managing Ledger group, items, customer, supplier, collection, purchase/payment bill, journal, and assets

itialuS boasts a wealth of knowledge and experience in Outsourcing services. Our team is highly skilled at using the latest financial and accounting software and has in-depth expertise in international accounting standards (IFRS/GAAP).

Manpower Outsourcing

itialuS knows how important it is to have the right employee at the right time. If you:

- Have an increased workload
- Need a quick replacement for employees on sick leave
- Are searching for seasonal staff
- Are facing an increasing scope of work and need an immediate solution to the market needs
- Require temporary staffing services to answer your business needs and help you focus on your core business

We provide you with:

- The right candidates for temporary staffing in your company
- Recruitment process if needed
- Administrative, legal & accounting processes for the employees
- Employer leasing contracts
- Complete, high-quality solutions tailored to your business needs

We value your feedback

- We care about building strong ties and long-lasting relations with our clients and partners
- If the assigned employee meets your expectations, we can offer a permanent placement
- If you are not satisfied with the assigned employee after the first week, we will repeat the recruitment process for the same vacancy for free
- We only calculate the employee's effective working hours (sick leaves, annual leaves, holidays will not be charged)
