Your Local Office for Global Business

About Us

Background

itialuS Global Network is one of the largest financial and corporate services networks globally, composed of expert accounting, consulting, and auditing firms.

itialuS Global provides companies across various markets and industries with cloud-based software tools to join the digital transformation initiative, where multinational businesses can expect the same consistent standards of service quality, delivery, and commitment.

Mission

Deliver the right solutions to our clients through long-term relationships built on experience, insight, and teamwork.
Help our clients reduce their administrative costs while providing support of the highest quality.
Create a business environment that attracts, develops, and retains the best talent.
Provide stockholders with the best return on their investment.

Vision

Become a globally reliable, effective, safe, and cost-effective provider of quality innovative global Accounting and Corporate Services, that satisfy unmet management needs.

What We Do

We provide global Accounting and Corporate Services at the most competitive prices. We help clients drive their businesses to their maximum potential by delivering high-quality services including Accounting, Human Resources Management, Business Consultancy, and Tax Solutions.
Information Technology Tools

We use an innovative cloud-based Enterprise Resource Planning **(ERP)** system known as WallPost Software. It is designed according to international standards to meet clients' needs in different industries.

WallPost Software is equipped with intelligent modules to smartly monitor and enhance the performance of the company and staff. It produces a variety of financial and management reports which can be used by managers and shareholders for more efficient decision-making.
