Your Local Office for Global Business

About Us

Background

itias Global Network is one of the largest financial and corporate services networks globally, composed of expert accounting, consulting, and auditing firms.

itias Global provides companies across various markets and industries with cloud-based software tools to join the digital transformation initiative, where multinational businesses can expect the same consistent standards of service quality, delivery, and commitment.

Mission

Deliver the right solutions to our clients through long-term relationships built on experience, insight, and teamwork.

Help our clients reduce their administrative costs while providing support of the highest quality.

Create a business environment that attracts, develops, and retains the best talent.

Provide stockholders with the best return on their investment.

Vision

Become a globally reliable, effective, safe, and cost-effective provider of quality innovative global Accounting and Corporate Services, that satisfy unmet management needs.

What We Do

We provide global Accounting and Corporate Services at the most competitive prices. We help clients drive their businesses to their maximum potential by delivering high-quality services including Accounting, Human Resources Management, Business Consultancy, and Tax Solutions.

Accounting & Corporate Services
itias

| Information Technology Tools

We use an innovative cloud-based Enterprise Resource Planning ((ERP) system known as WallPost Software. It is designed according to international standards to meet clients' needs in different industries.

WallPost Software is equipped with intelligent modules to smartly monitor and enhance the performance of the company and staff. It produces a variety of financial and management reports which can be used by managers and shareholders for more efficient decision-making.

WallPost

Core Modules

WallPost Software's objective is to deliver the following results:

- Automate the company's policies, procedures, and processes
- Assist in the company's formulation of rules, regulations and processes
- Increase staff engagement and retention
- Measure performance and staff appraisal
- Identify problems before their onset

VAT Registration & Compliance

Today, one of the biggest challenges facing domestic and international businesses is ensuring **VAT compliance** across multiple jurisdictions. Constantly changing rules, regulations, and legislation add to the complexity of **VAT compliance**.

Thanks to our experts across the **italuS** network along with the advanced WallPost Software platform, we ensure you meet all your **VAT compliance** obligations across the world. We assist you in determining your registration liabilities and provide you with all the required compliance support. We offer comprehensive **VAT registration** and return filing services, combined with **VAT consultancy** and advisory. This includes the filing of **VAT returns** at required intervals in the relevant jurisdictions with 100% advisory support.

Whether you have one or multiple **VAT registration** requirements across your organization, **italuS** can help ensure that you are registered correctly, and that your **VAT declarations** are submitted accurately, on time, and in full compliance with all legal formalities.

Our network of experts from local **italuS** offices allows us to provide the following **VAT services** across various jurisdictions:

- **VAT Registration**
- **VAT Compliance**
- **VAT Consulting**
- **Fiscal Representation**
